15 restaurants & bars

Bars, cafes, soba, yakiniku, izakayas and more, you can enjoy food and drink in Koenji until the early hours of the morning, and we're going to tell you where.

バー、カフェ、そば、焼肉、居酒屋など
夜遅くまで楽しめる高円寺の飲食店を掲載しています。

What kind of place is the Koenji district?

It's a land of subcultures!

Located on the JR Chuo line and the Sobu Line, you can access Koenji with ease even from Shinjuku. The area is beloved by many famous musicians, and idolised by the nation's youth. One of the unique appeals of Koenji is how subculture symbols such as live venues and second hand clothes stores take their places on the streets alongside more traditional businesses.

Koenji is home to a number of distinctive bars & restaurants

In particular, the area below the railway tracks heading north from Koenji Station contains a ton of izakayas and bars with their own unique personalities. It's become a popular destination among tourists from abroad in recent years.

There are many restaurants that are open until late at night on the south side. Here you can enjoy a pub crawl at much more reasonable prices than in the city centre. You can even enjoy a lively chat with the ever personable staff and customers while you drink.

高円寺ってどんな街？

サブカルチャーの街・高円寺！

JR中央・総武線で新宿からもアクセスがよい高円寺。多くの有名ミュージシャンに愛され、若者たちの憧れの街となっています。ライブハウスや古着屋などのサブカルチャーと昔ながらの生活に密着した商店が一緒に並んでいるのも高円寺の特徴です。

高円寺には個性的なバーや飲食店がたくさん

特に高円寺駅から北側や高架沿いには、居酒屋・バーなどたくさんの個性的な個人店が集まっています。近年は外国人観光客も多く見かけるようになりました。

南側にも夜遅くまでやっているお店があり、都心よりもリーズナブルに飲み歩きが楽しめます。ときには気さくなスタッフやお客さんと話が弾むことも？

Japan's bar/izakaya culture

Cover charges and 'otooshi' in place of tips

It's not common practice to tip staff in Japan. Instead, dining establishments have systems like cover charges, as well as what's known as "otooshi"; mandatory appetizers that come served on a small plate when you make an order. The price of these appetizers is then included in your bill.

日本のバー／居酒屋文化

お通しやチャージ料はチップの代わりに

日本では店員さんにチップを支払うことは一般的ではありません。その代わり、飲食店では、テーブル料が設定されていたり、お通しとして最初に小皿の料理が自動的に出てきて料金に含まれることがあります。
